GET A FREE SAVE PENTNEY CAR STICKER

The Save Pentney Action Group are giving away FREE car stickers to anyone who wants one.

The Save Pentney Action Group in collaboration with the Save Pentney website are offering FREE car windscreen stickers to anyone who wants one. There is no catch, all that's asked in return is that you display the sticker on the rear window of your car as you drive around.

The stickers are available to anyone, regardless of their global location, and take the form of cut vinyl graphics that get applied to the outside of the window. The full windscreen width stickers which read "www.SavePentney.co.uk" are easily removed and don't leave any unpleasant residue behind.

You can obtain your FREE car sticker in any one of three ways.

1. Log onto www.SavePentney.co.uk and use the Contact page to request one
2. Send an email directly to webmaster@savepentney.co.uk to request one
3. Pop into the shop at Pentney Caravan Park to collect one

The website, www.SavePentney.co.uk was set up by local resident Sam Knox after plans were announced to dig a sand and gravel quarry right in the heart of the village.

The site exists to give the people of Pentney village a single unified voice with which to make their opinions and feelings about the MIN93 quarry proposal heard by a worldwide audience. The site features an uncensored public forum where comments and opinions are invited from supporters and opposition alike.

The campaign to save Pentney village is supported by actor, author and concerned local resident, Stephen Fry who expressed his disapproval of the proposed quarry, saying "It's as if Pentney is being surrounded by aliens, and it is surely time to leave poor Pentney be."
